## PROCLAMATIONS.

[L.S.] R. RANDOLPH BRUCE,  
*Lieutenant-Governor.*

CANADA:

PROVINCE OF BRITISH COLUMBIA.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

*To all to whom these presents shall come—GREETING.*

R. H. POOLEY, { **WHEREAS** by section 12  
*Attorney-General.* { of the "Municipalities  
Incorporation Act," being chapter 182 of the "Revised Statutes of British Columbia, 1924," it is provided that the Lieutenant-Governor in Council may extend the limits of a city municipality under the conditions therein set out:

And whereas a petition has been received from the Council of The Corporation of the City of Fernie, praying that the limits of the said Corporation of the City of Fernie be extended by including therein certain lands described as:—

*Parcel 1.*—Commencing at the point where the centre line of Thompson Street intersects the northerly boundary of the City of Fernie as now constituted; thence westerly along the said northerly boundary to the easterly bank of the Elk River; thence northerly along the said easterly bank of Elk River to the intersection of the westerly production of the centre line of said Thompson Street; thence easterly along the said production and the said centre line of said street to the point of commencement.

*Parcel 2.*—Commencing at the point where the centre line of Nicholls Avenue intersects the northerly boundary of the City of Fernie as now constituted; thence northerly along the centre line of Nicholls Avenue to its intersection with the centre line of Rogers Street; thence easterly along the centre line of Rogers Street to its intersection with the centre line of Chipman Avenue; thence northerly along the centre line of Chipman Avenue to its intersection with the centre line of Drinnan Street; thence easterly along the centre line of Drinnan Street to the westerly boundary of the Crow's Nest Southern Railway right-of-way, being the easterly boundary of Lindsey Avenue; thence northerly along said easterly boundary of Lindsey Avenue to its intersection with the centre line of Davies Street produced across said right-of-way; thence easterly along said production to the easterly boundary of said right-of-way, being the westerly boundary of Dalton Avenue; thence northerly along said boundary to its intersection with the centre line of Wright Street; thence easterly along the centre line of said Wright Street to its intersection with the northerly boundary of the City of Fernie as

now constituted; thence westerly along the said boundary to the point of commencement.

*Parcel 3.* Commencing at the point where the northerly boundary of the City of Fernie as now constituted intersects the centre line of Victoria Avenue; thence northerly along the centre line of the said Victoria Avenue to the southerly boundary of the right of way of the Morrissey, Fernie & Michel Railway as shown on a plan deposited in the Land Registry Office at Nelson, British Columbia, under Number 1374; thence easterly and following the southerly boundary of said railway right-of-way along a curve to the right of 661.5 feet radius a distance of 423 feet, more or less, to point of tangent; thence along the said southerly boundary of said railway right-of-way south 0 degrees 27 minutes west a distance of 141.3 feet to its intersection with the westerly boundary of the B.C. Southern Railway right-of-way; thence south 38 degrees 13 minutes west and along the westerly boundary of the B.C. Southern Railway right-of-way a distance of 66.5 feet, more or less, to the northerly boundary of the City of Fernie as now constituted; thence westerly along the said northerly boundary to the point of commencement:

And whereas the conditions and requirements of said section 12 of the "Municipalities Incorporation Act" have been duly complied with:

Now know YE that by these presents We do order and proclaim that the limits of The Corporation of the City of Fernie be extended by the inclusion therein of the lands hereinbefore described, and that on, from, and after the 15th day of November, 1929, the boundaries of The Corporation of the City of Fernie be defined as follows: Commencing at a point one hundred feet due east of the intersection of the centre line of the British Columbia Southern Railway and the centre of the stream-bed of Coal Creek, and running thence in a northerly direction and parallel to the centre line of the said railway, and one hundred feet distant therefrom, for a distance of one thousand and eight-five feet, more or less, to a point fifty feet from the centre line of the southern branch of the Y connecting the main line of the British Columbia Southern Railway with the Coal Creek branch of the same; thence in a direction about north thirty-three degrees and fifteen minutes east fifteen hundred feet, more or less, to a point distant one hundred and forty feet southerly from the extension of the line of the southerly side of Cox Street of the Fernie Townsite and one hundred feet distant in an easterly direction and at right angles from the centre line of the main line of the said British Columbia Southern Railway; thence south fifty-six degrees and forty-five minutes east one hundred feet; thence north thirty-three degrees and fifteen minutes east one thousand eight hundred and thirty-six feet; thence curving to the right with a radius of five thousand seven hundred and thirty feet for a distance of four hundred and seventy-three feet; thence north thirty-eight degrees and fifteen minutes east seven hundred and seventy feet; thence north fifty-six degrees and forty-five minutes west one hundred feet; thence north thirty-eight degrees and fifteen minutes east four hundred and fifty feet, more or less, to a point on the extension of the line of the northern boundary of Parcel Number Three of that certain parcel or tract of land shown on a map or plan of a subdivision of a portion of Lot Four thousand five hundred and eighty-eight, Group One, Kootenay District, and otherwise known as the Fernie Townsite Block; thence north eighty-nine degrees and fifty-eight minutes west, and along the said extension of the line of the north boundary of the said Fernie Townsite Block a distance of one hundred and ninety-one feet, more or less, to the westerly boundary of the said British Columbia Southern Railway right-of-way; thence north thirty-eight degrees and thirteen minutes east, and along the westerly boundary of the said British Columbia Southern Railway right-of-way a distance of sixty-six and five-tenths feet, more or less, to its intersection with the southerly boundary of the Morrissey, Fernie & Michel Railway right-of-way as shown on a plan deposited in the Land Registry Office at Nelson, British Columbia, under Number One thousand three hundred and seventy-four; thence along the said southerly boundary of the said Morrissey, Fernie & Michel Railway right-of-

way north no degrees twenty-seven minutes east a distance of one hundred and forty-one and three-tenths feet, more or less, to point of curve; thence westerly and following the southerly boundary of said Morrissey, Fernie & Michel Railway right-of-way along a curve to the left of six hundred and sixty-four and five-tenths feet radius a distance of four hundred and twenty-three feet, more or less, to the centre line of Victoria Avenue; thence south thirty-three degrees and thirteen minutes west along the centre line of the said Victoria Avenue to the intersection of the said centre line with the north boundary of the hereinbefore-mentioned Fernie Townsite Block; thence north eighty-nine degrees and fifty-eight minutes west and along the north boundary of the said Fernie Townsite Block a distance of five hundred and thirty-four and two-tenths feet, more or less, to its intersection with the centre line of Wright Street; thence westerly along the said centre line of the said Wright Street to its intersection with the easterly boundary of the Crow's Nest Southern Railway right-of-way, being the westerly boundary of Dalton Avenue; thence southerly along the said easterly boundary of the said Crow's Nest Southern Railway right-of-way to the point of intersection with the centre line of Davies Street; thence westerly and along the said centre line of the said Davies Street produced across the said Crow's Nest Southern Railway right-of-way to its intersection with the westerly boundary of the said Crow's Nest Southern Railway right-of-way, being the easterly boundary of Lindsey Avenue; thence southerly along the said westerly boundary of the said Crow's Nest Southern Railway right-of-way to its intersection with the centre line of Drinnan Street; thence westerly along the said centre line of the said Drinnan Street to its intersection with the centre line of Chipman Avenue; thence southerly along the said centre line of Chipman Avenue to its intersection with the centre line of Rogers Street; thence westerly along the said centre line of Rogers Street to its intersection with the centre line of Nicholls Avenue; thence southerly along the said centre line of the said Nicholls Avenue a distance of three hundred and twenty-four and four-tenths feet, more or less, to its intersection with the north boundary of the hereinbefore-mentioned Fernie Townsite Block; thence north eighty-nine degrees and fifty-eight minutes west along the north boundary of the said Fernie Townsite Block a distance of sixty-four and nine-tenths feet, more or less, to its intersection with the centre line of Thompson Street; thence westerly along the centre line of the said Thompson Street and said centre line produced to the east bank of the Elk River; thence in a southerly direction and along the east bank of the Elk River to the mouth of Coal Creek; thence in an easterly direction and following the centre of the stream-bed of Coal Creek against the stream to the point of commencement; containing three hundred and twenty nine acres, be the same more or less.

And that the Letters Patent of the said City of Fernie be deemed to be amended so as to conform to the premises as and from the fifteenth day of November, 1929.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, His Honour ROBERT RANDOLPH BRUCE, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, this first day of November, in the year of our Lord one thousand nine hundred and twenty-nine, and in the twentieth year of Our Reign.

By Command,

S. L. HOWE,

*Provincial Secretary.*

## DOMINION ORDERS IN COUNCIL.

P.C. No. 2080.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 17TH OCTOBER, 1929.

**THE** Committee of the Privy Council have had before them a report, dated 10th October, 1929, from the Minister of the Interior, submitting that Mr. A. M. Peppar, of Vancouver, British Columbia, has applied to lease a fifteen-acre parcel of land, described as the southerly fifteen chains of the easterly ten chains of the South-west Quarter of Section Twenty-nine, Township Thirty-nine, west of the Coast meridian, for the purpose of fish culture.

The land is available in the records of the Department and the applicant has secured the necessary water rights from the authorities of the Province of British Columbia.

The parcel has been inspected by an Agent of the Department of the Interior, who reports favourably regarding the lease. The Assistant Deputy Minister, Department of Marine and Fisheries, reports that the departmental regulations do not prohibit the granting of a lease as herein referred to.

The Minister, therefore, recommends that a lease be granted to the applicant for a term of five years, at an annual rental of fifteen dollars, and that a clause be inserted in the lease that the parcel be used for no other purpose than the hatching and rearing of fish, and that the lease may be terminated upon one year's notice, and to be upon such other conditions as may be deemed necessary to impose.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,  
Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior. 7579-oc31

## LEGISLATIVE ASSEMBLY.

### PRIVATE BILLS.

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

#### Rule 76.

**A**LL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867"—whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint-stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property or other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act—shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant. Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper

therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the paid fees shall be returned.

77. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 76, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principal, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring  $10\frac{3}{4}$  inches by  $7\frac{1}{2}$  inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bills shall be reprinted by the promoters thereof.

In the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in Rule 72, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Every Petition for a Bill to incorporate a company shall state the name of the proposed company.

Petition signed by agents or attorneys must be accompanied by the authority of such agent, etc.  
Dated October 30th, 1922.

(h.) To carry on the business of electrical, mechanical, chemical, heating, construction, and general engineers; provided that the Company as such shall not carry on in the Province of British Columbia the practice of professional engineering as defined by the "Engineering Act" of the said Province, but must employ a professional engineer in accordance with the said Act to carry on such practice:

(i.) To acquire and hold water records and licences, and to exercise all franchises, powers, privileges, and rights which may be held or enjoyed by a power company under the "Water Act" of British Columbia and amendments thereto:

(j.) To purchase, take on lease or in exchange, hire, or otherwise acquire and hold any real and personal property and any rights or privileges which the Company may think necessary or convenient for the purposes of its business:

(k.) To construct, improve, maintain, develop, work, manage, carry out, or control any roads, ways, tramways, branches or sidings, bridges, reservoirs, watercourses, wharves, manufactories, warehouses, electric works, shops, stores, and other works and conveniences which may seem calculated, directly or indirectly, to advance the Company's interests, and to contribute to, subsidize, or otherwise assist or take part in the construction, improvement, maintenance, working, management, carrying-out, or control thereof:

(l.) To acquire and undertake the whole or any part of the business, property, undertaking, assets, privileges, franchises, and liabilities of any person or company, wheresoever incorporated, carrying on any business which the Company is authorized to carry on, or possessed of property suitable for the purposes of the Company, and in particular those of C. O. Bristol, of Williams Lake, British Columbia, and to pay for same either in cash or shares or debentures of the Company, or partly in cash and partly in shares or debentures of the Company:

(m.) To apply for, purchase, or otherwise acquire any patents, licences, concessions, and the like, conferring any exclusive or non-exclusive or limited right to use or any secret or other information as to any invention capable of being used for any of the purposes of the Company, or the acquisition of which may seem calculated, directly or indirectly, to benefit the Company; and to use, exercise, develop, or grant licences in respect of or otherwise turn to account the property, rights, or information so acquired:

(n.) To enter into partnership or into any arrangement for sharing of profits, union of interests, co-operation, joint adventure, reciprocal concession, or otherwise with any person or company, wheresoever incorporated, carrying on or engaged in, or about to carry on or engage in, any business or transaction which the Company is authorized to carry on or engage in, or any business or trans-

action capable of being conducted so as, directly or indirectly, to benefit the Company:

(o.) To enter into any arrangements with any Governments or authorities (municipal, local, or otherwise) that may seem conducive to the Company's objects or any of them, and to obtain from any such Government or authority any rights, privileges, and concessions which the Company may think it desirable to obtain, and to carry out, exercise, and comply with any such arrangements, rights, privileges, and concessions:

(p.) To take or otherwise acquire and hold the shares, stock, debentures, or other securities of any company, wheresoever incorporated, having objects altogether or in part similar to those of the Company, or carrying on any business capable of being conducted so as, directly or indirectly, to benefit the Company, and to sell or reissue, with or without guarantee, or otherwise deal with the same:

(q.) To borrow or raise or secure the payment of money in such manner as the Company shall think fit, and in particular by the issue of debentures or debenture stock, perpetual or otherwise, charged upon all or any of the Company's property (both present and future), including its uncalled capital, and to purchase, redeem, or pay off any such securities:

(r.) To establish agencies and branches and to adopt such means of making known the products and commodities (including electricity and power) of the Company as may seem expedient, and in particular by advertising in the press, by circulars, by purchase and exhibition of works of art or interest, by publication of books and periodicals, and by granting prizes, rewards, and donations:

(s.) To lend money to any person or company, wheresoever incorporated, having dealings with the Company or with whom the Company proposes to have dealings, and to guarantee the contracts of any such person or company:

(t.) To raise and assist in raising money for, and to aid by way of bonus, loan, promise, endorsement, guarantee of debentures or other securities or otherwise, any company, wheresoever incorporated, with which the Company may have business relations, and to guarantee the contracts of any such company:

(u.) To sell or dispose of the undertaking of the Company or any part thereof for such consideration as the Company may think fit, and in particular for shares, debentures, or securities of any other company, wheresoever incorporated, having objects altogether or in part similar to those of the Company:

(v.) To promote any company or companies for the purpose of acquiring all or any of the property and liabilities of the Company, or for any other purpose which may seem, directly or indirectly, calculated to benefit the Company:

(w.) Subject to section 123 of the "Companies Act," to remunerate any person or company, wheresoever incorporated, for services rendered or to be rendered in placing or assisting to place, or guaranteeing the placing of, or procuring or agreeing to procure subscriptions for, any of the shares in the Company's capital or any debentures, debenture stock, or other securities of the Company, or in or about the formation or promotion of the Company or in the conduct of or the sale or disposition of its business; provided the remuneration for services rendered or to be rendered in placing or assisting to place, or guaranteeing the placing of, or procuring or agreeing to procure subscriptions for, any of the shares in the Company's capital or any debentures, debenture stock, or other securities of the Company shall be by way of commission, and such rate of commission shall not exceed 10 per centum of the nominal or par value thereof:

(x.) To draw, make, accept, endorse, execute, and issue promissory notes, bills of exchange, bills of lading, warrants, and other negotiable or transferable instruments:

(y.) To carry on any business capable of being conveniently carried on in connection with the business of the Company, or calculated, directly or indirectly, to enhance the value of or render profitable any of the Company's property or rights:

(z.) To sell, improve, manage, develop, exchange, lease, dispose of, turn to account, or otherwise deal with all or any part of the property and rights of the Company:

(aa.) To invest and deal with the moneys of the Company not immediately required in such manner as may from time to time be determined:

(bb.) To distribute among the shareholders of the Company in kind, specie, or otherwise, as may be resolved, by way of dividend, bonus, or in any other manner deemed advisable, any property or assets of the Company or any proceeds of the sale or disposal of any property of the Company, and in particular any shares, bonds, debentures, debenture stock, or other securities of or in any other company belonging to this Company or which it may have power to dispose of:

(cc.) To pay out of the funds of the Company all or any of the expenses of or incidental to the formation and organization thereof, or which the Company may consider to be preliminary:

(dd.) To establish and support or aid in the establishment and support of associations, institutions, funds, trusts, and conveniences calculated to benefit employees or ex-employees of the Company or its predecessors in business, or the dependents or connections of such persons, and to grant pensions and allowances, and to make payments towards insurance, and to subscribe or guarantee money for charitable or benevolent objects, or for any exhibition, or for any public, general, or useful object:

(ee.) To procure the Company to be registered and recognized in any foreign country or place, and to designate persons therein, according to the laws of such foreign country or place, to represent the Company, and to accept service for and on behalf of the Company of any process or suit:

(ff.) To carry out all or any of the objects of the Company, and do all or any of the above things as principals, agents, contractors, or otherwise, and either alone or in conjunction with others:

(gg.) To do all such other things as are incidental or conducive to the attainment of the objects and the exercise of the powers of the Company.

To apply for, purchase, or otherwise acquire, and to use, grant licences or rights in respect of, or otherwise turn to account, any patents, patent rights, licences, concessions, and the like, conferring any exclusive or non-exclusive or limited right to use or any secret or other information as to any invention or process which may seem capable of being used for or in connection with any of the purposes of the Association, or which may seem calculated, directly or indirectly, to benefit the Association.

(g.) Generally to purchase, take on lease, hire, or otherwise acquire any real and personal property and any rights and privileges which the Association may think necessary and convenient for the purpose of its business:

(h.) To acquire and carry on all or any part of the business or property and to undertake any liabilities of any person, firm, association, or company possessed of property suitable for the purposes of this Association, or carrying on any business which this Association is authorized to carry on, or which can be conveniently carried on in connection with the same, or may seem to the Association calculated, directly or indirectly, to benefit this Association:

(i.) To acquire by purchase, lease, or other manner lands and premises, and to erect thereon abattoirs, cold-storage plants, warehouses, or other buildings which the Association may require for its business, and to sell, lease, or otherwise dispose of such lands or buildings when the Association deems it expedient to do so:

(j.) To carry on business as purchasing agents, manufacturing agents, distributing agents, commission merchants, and mercantile brokers in all their branches:

(k.) To enter into any arrangements with any Government or authorities (supreme, municipal, local, or otherwise) that may seem conducive to the Association's objects or any of them, and to obtain from any such Government or authority any rights, privileges, bonus, or concessions which the Association may think it desirable to obtain, and to carry out, exercise, and comply with any such arrangements, rights, privileges, and concessions:

(l.) To carry on business as contractors, builders, roofers, importers, dealers in, and manufacturers of concrete, cement, asphalt, sheet metal, roof preparations, and other materials which can be used, directly or indirectly, by contractors, builders, or roofers, with power to act as agents for other persons, associations, or corporations carrying on a similar business, and also to carry on any other business of a like nature or incidental to the foregoing:

(m.) To carry on the business of coal and coke merchants, dealers in all kinds of fuel, including petroleum, oils and gases, builders' and contractors' supplies and requisites of all kinds:

(n.) To acquire, hold, and dispose of any interest in lands, mills, factories, buildings, coal and other mines, oil and gas wells and concessions, minerals, mining rights and mining leases, wood and woodlands, timber and lumber lands and licences, and the right to operate the same.

(o.) To own and operate factories for the manufacture of machinery, tools, and appliances of all kinds, and particularly agricultural and horticultural machinery and implements:

(p.) To deal by wholesale and retail in dry-goods, boots, shoes, haberdashery, men's and women's wear of every description, groceries of every description, and hardware of every description:

(q.) To manufacture, produce, adapt, prepare, lease, buy, sell, and otherwise dispose of or deal in iron, and manufacture or composition of which metal is a factor, and to carry on any other manufacturing or distributing business which can be conveniently carried on in conjunction with any of the Association's purposes or objects:

(r.) To carry on anywhere within or without Canada the business of timber merchants, sawmill, shingle-mill, and pulp-mill owners, loggers, lumbermen, and lumber merchants in any and all their branches; to buy, sell, prepare for market, manipulate, import, export, and deal in sawlogs, timber, piles and poles, lumber and wood of all kinds, and to manufacture and deal in lumber, timber, shingles, laths, sashes and doors, portable houses, buildings, and all articles and materials in the manufacture whereof timber, lumber, or wood is used:

(s.) To purchase or to otherwise acquire, maintain, keep, and improve all kinds of sawmills and other buildings, plant and machinery of every description, timber leases, licences, and lands, patent rights and trade-marks, and to dispose of the

same from time to time by way of sale, lease, or otherwise:

(t.) To construct, carry out, acquire by purchase or otherwise, maintain, improve, manage, work, control, and superintend, and to sell, lease, or otherwise dispose of, all logging-railways, tramways on lands owned or controlled by the Association, and trails, roads, streets, skidways, bridges, reservoirs, flumes, watercourses, aqueducts, wharves, piers, trucks, factories, mills, warehouses, boats, scows, tugs, and other works and conveniences which the Association may think, directly or indirectly, conducive to any of its objects, and to contribute or otherwise assist or take part in the construction, maintenance, development, working, control, and management thereof.

(u.) To clear and remove obstructions from any lake, river, creek, or stream; to deepen channels, remove shoals, or otherwise improve the floatability of any river, lake, creek, or stream.

PROVINCIAL SECRETARY.

"MOVING PICTURES ACT."

HIS HONOUR the Lieutenant-Governor in  
Council has been pleased to revoke the regu-  
lations made on the 21st day of April, 1926, pursu-  
ant to the "Moving Pictures Act," chapter 178 of  
the "Revised Statutes of British Columbia, 1924,"  
and all amendments made to the said regulations,  
and to make regulations as follows, pursuant to the  
said "Moving Pictures Act":—

PROVINCE OF BRITISH COLUMBIA.

REGULATIONS GOVERNING THE LICENSING AND  
OPERATION OF MOVING-PICTURE THEATRES,  
FILM EXCHANGES, AND KINEMATOGRAPHS.

(Pursuant to the "Moving Pictures Act.")

MOVING-PICTURE THEATRES.

1. *Approval of Construction.*—Before commenc-  
ing construction of any moving-picture theatre or  
of any structural alterations in an existing moving-  
picture theatre, plans and specifications therefor  
shall be filed with the Fire Marshal for his inspec-  
tion, and no person shall commence the work of  
construction until the plans and specifications have  
been approved by the Fire Marshal. The plans  
shall consist of drawings showing floor-plans in  
detail, one elevation and one cross-section indicat-  
ing construction drawn to a scale of not less than  
 $\frac{1}{8}$  inch to 1 foot. All dimensions, including height  
and thickness of walls, structural parts, exits,  
stages, projection-rooms, and furnace-rooms, shall  
be clearly shown. The specifications shall fully  
set forth the methods of construction and explain  
the plans. All plans and specifications shall be in  
accordance with these regulations, except that the  
Fire Marshal may in the case of a moving-picture  
theatre existing on October 1st, 1929, approve such  
deviations from these regulations as he considers  
advisable and in accordance with reasonable safety.  
Upon completion of construction of a moving-  
picture theatre, the owner or manager thereof  
shall notify the Fire Marshal that the moving-  
picture theatre is ready for his inspection, and no  
such theatre shall be opened to the public until it  
has been inspected and approved in writing by the  
Fire Marshal.

2. *Entrances.*—All entrances to moving-picture  
theatres shall be not less than 5 feet in width and  
shall be equipped with double-leaf doors hinged so  
as to swing freely both ways. These doors will  
also serve as exit doors.

3. *Exits.*—In addition to the entrances, emer-  
gency exits at or near the rear of the auditorium  
and at other places as may be designated by the Fire  
Marshal, giving free access to street, lane, or open  
court, shall be provided. Such exits shall be pro-  
portioned on the basis of the seating capacity of  
the moving-picture theatre, and shall afford not less  
than 22 inches of combined width to each 150 seats  
or major portion thereof, and this exit width shall  
be equally apportioned to each side of the audi-  
torium; but each exit shall be not less than 42  
inches in width and shall be equipped with double-  
leaf doors opening outward and equipped with  
standard panic or exit bolts. No other bolts or  
fastenings shall be used on emergency exit doors.

4. *Fire-escapes*.—From all balconies and from points of the auditorium main floor that are 8 feet or more above the street-level, exit doors shall be provided to give access to fire-escapes, which fire-escapes shall be continuous to the ground and installed in full compliance with the regulations for fire-escapes under the "Fire Marshal Act."

5. *Exit Lights*.—At all times when a moving-picture theatre is open for the admission of the public, each exit shall be marked with an illuminating sign clearly displaying through red-coloured glass the word "EXIT," the letters forming such word to be not less than 6 inches in height. No other red illuminating lights or signs shall be used in any moving-picture theatre.

6. *Aisles*.—All aisles extending in direction from the front to the rear of a moving-picture theatre shall be not less than 4 feet in width throughout their length. All cross-aisles extending from main aisles to the exits shall be not less than 3 feet 9 inches in width throughout their length.

7. *Stairways*.—All stairways leading to any tier or gallery shall be not less than 4 feet in width and shall be equipped with a securely fastened handrail not less than 3 feet above treads and landings. The stairs shall have risers of not more than 7 inches and treads of not less than 10 inches measured from the face of the riser. There shall be not less than three nor more than eighteen risers in any flight of stairs. All landings between the flights shall be the full width of the stairs and not less than 4 feet in length.

8. *Obstructions*.—All aisles, halls, stairways, passage-ways, and lobbies shall at all times be kept free from obstructions. No person shall be allowed to sit, stand, or loiter in any aisle, stairway, or passage-way. In all entrance and mezzanine foyers clear passage-ways equivalent in width to the combined entrance and exit passage-ways shall at all times be maintained.

9. *Seats*.—Separate detailed plans of the seating shall be submitted to the Fire Marshal for his approval before the seats are installed. All rows of seats on the main floor shall be spaced not less than 32 inches, measured horizontally from back to back; and all rows of seats in any balcony or gallery shall be spaced not less than 30 inches, measured in like manner. In one-floor moving-picture theatres having the floor constructed with two different angles of pitch, the section of floor back of the main cross-aisles, having the greater pitch, shall have its rows of seats spaced not less than 30 inches measured in like manner. There shall be not more than seven chairs between any one seat of a row and an aisle. Where common chairs are used for the seating in a moving-picture theatre, such chairs shall be battened together in a secure manner and securely fastened to the floor. All other chairs, except in boxes and loges, shall be securely fastened to the floor.

10. *Electrical Installation*.—(a.) Separate complete detailed plans and specifications for all electrical installations in moving-picture theatres shall be submitted to the Fire Marshal for his approval before the work of wiring is commenced.

(b.) All moving-picture theatres shall be wired in approved metal conduit. All switches and cut-outs shall be enclosed in approved cabinets.

(c.) For each 100 square feet of floor area or fraction thereof in the auditorium of any moving-picture theatre (including all balconies, galleries, boxes, and loges) there shall be white light of not less than 2 watts. Such white light shall be evenly distributed over the auditorium and shall be kept lighted during every performance to which the public is admitted, and the lights supplying the same shall be known as the "auditorium running-lights."

(d.) The other auditorium lights of every moving-picture theatre, which shall be known as the "auditorium clearing-lights," shall be operated on an emergency lighting-circuit, said circuit to be controlled by means of switches placed in the lobby of the theatre and also in the projection-room. Such switches shall be so placed as to be in easy reach at all times of authorized attendants of the theatre. The current for every emergency lighting-circuit shall be fed by a separate service, or from a point directly before the main service switch. In addition

to serving the auditorium clearing-lights, the emergency lighting-circuit shall serve all exit lights, all lights in halls, stairways, passage-ways, lobbies, approaches, and all other places where lights are usually kept lighted during an exhibition or performance. The illumination of the entire auditorium supplied by the auditorium clearing-lights shall be not less than 1 watt per square foot of floor area.

11. *Stage Lighting*.—All wiring shall be done in approved rigid conduit or armoured cable. The stage switchboard shall be of the dead-front type. All footlights, border lights, and incandescent flood lights shall be wired with not less than No. 12 slow-burning wire. Flush or sign receptacles shall be used and the conductor soldered securely to the terminals thereof. Not more than 1,320 watts per circuit shall be allowed on any footlight, border light, incandescent flood light, or proscenium light circuit. Footlights, border lights, and incandescent flood light-strips shall be wired in conduit, armoured cable or in sheet-metal trough or gutter made of not less than 20-gauge metal painted with two coats of oxidization-resisting paint. All movable borders, incandescent floods, and similar lights shall be connected to their source of supply by flexible cable. All stage and gallery pockets shall be of approved type and controlled from the switchboard. They shall be supplied by feeders as follows: Pockets supplying arc-lamps shall be fed by not less than No. 6 stranded rubber-covered cable. Pockets supplying incandescent lamps shall be fed by not less than No. 12 rubber-covered wire. Arc and incandescent pockets shall be so made as to be non-interchangeable. All dimmers shall be so connected that they will be dead when their respective switches are open.

12. *Ventilation*.—Where it is found impracticable to supply at least 2 square feet of ventilating area for each person admitted to a moving-picture theatre (this area to include doors, windows, and roof ventilators), a system of mechanical ventilation shall be installed which will deliver a complete change of air at least every fifteen minutes. All fans used for mechanical ventilation shall be equipped with an automatic stopping device which will act instantly should a fire occur on the stage or in the boiler-room.

13. *Heating*.—All furnaces and boilers used for heating moving-picture theatres shall be located in a fire-resistive room. In theatres of less than 350 seats where stoves are used for heating purposes, all stoves shall be located at least 3 feet from the walls and guarded by a substantial iron railing. Not more than six lengths of smoke-pipe shall be permitted, and every smoke-pipe shall have riveted joints and shall lead directly into a brick chimney which is built from a solid foundation to a point not less than 3 feet above the roof. A stove-board, covered with metal or other fire-resistive material and extending 18 inches beyond the base of the stove all around, shall be used under every stove.

14. *Fire-protection Equipment*.—There shall be in every moving-picture theatre situate in a locality where there is a waterworks system at least two stand-pipes of not less than 2½ inches diameter, and equipped with gate-valve hose connection, 1½-inch hose, and plain-bore nozzle with a ¼-inch tip. In addition, there shall be located at different places throughout the theatre liquid chemical fire-extinguishers of a type, nature, and number approved and required by the Fire Marshal. Where no waterworks system is available for fire-protection purposes an extra number of fire-extinguishers shall be deemed necessary. Whenever there is a waterworks system available the furnace-room of the theatre shall be equipped with a standard sprinkler system of not less than two sprinkler-heads.

15. *Projection-room Wiring*.—(a.) All electrical apparatus, such as rheostats, motor-generators, rectifiers, transformers, and the like, shall be enclosed in a separate fire-resistive room. All fuses shall be of the enclosed type and located in this room. All switches used in the projection-room shall be of the dead-front type or enclosed in externally operated metal cabinets, or a metal cabinet from which only the handle of the switch protrudes. No live metal parts shall be allowed in the projection-room.

(b.) All arc-lamps used in moving-picture theatres shall be controlled by double-pole single throw-knife switches within easy reach of the projectionist standing in observation position in the projection-room. Conductors carrying current to arc-lamps shall be not less than No. 4 wire gauge. Stranded asbestos-covered conductors provided with approved lugs shall be used between the arc-lamp and switch.

(c.) All electrical wiring in the projection-room shall be enclosed in metal conduit and all fittings shall be of approved type. All movable incandescent lights in the projection-room shall be equipped with wire guards, and reinforced cord shall be used for pendant purposes.

16. *Projection-room Dimensions.*—The projection room in a moving-picture theatre shall be of not less than the following dimensions: For one kinematograph, 9 feet long, 10 feet wide, and 8 feet high, the length of the room being measured from the front wall to the rear wall through the kinematograph. For each additional kinematograph add 5 feet to the width of the room and for each spot-lamp or stereopticon add 3 feet to the width. Kinematographs in connection with synchronized sound shall not be set closer than 5 feet from centre to centre.

17. *Projection-room Construction.*—(a.) The walls of the projection-room shall be of brick, burnt-clay tile, concrete, or other fire-resistive or slow-burning construction approved by the Fire Marshal. If of brick, the walls shall be 8 inches in thickness, laid in cement mortar, one row of headers to every six rows of stretchers, and plastered inside and out with cement plaster. If of burnt-clay tile, the walls shall be at least 6 inches thick, laid with cement mortar, and plastered inside and out with cement plaster. If of concrete, the walls shall be at least 6 inches thick, made of cement, sand, and gravel mixed in the following ratio: One of cement, two of sand, and four of gravel or crushed rock that will pass through a 1-inch mesh, and reinforced with galvanized wire-mesh reinforcement not less than 3-mesh 10-gauge, or  $\frac{1}{4}$ -inch steel rods set on 9-inch centres. If of slow-burning construction the walls and ceilings shall be not less than 4 inches thick, all joints to be broken, and covered on the inside with Hyrib metal lath, or equal, and 1 inch of gypsum plaster.

(b.) The ceilings of rooms of masonry construction shall be either of reinforced concrete mixed as above, not less than 2 inches in thickness, or of 3-inch burnt-clay tiles and tee-irons of sufficient strength to hold the burnt-clay tiles securely in place, the tiles to be laid with cement mortar and plastered with cement plaster.

(c.) The floors of rooms of masonry construction shall be concrete slab not less than 4 inches in thickness reinforced throughout with wire-mesh reinforcement. Floors of rooms of slow-burning construction shall be of not less than 4 inches of wood covered with not less than 2 inches of reinforced concrete.

(d.) All rooms of masonry construction shall be carried on solid concrete piers, brick piers, or protected steel columns of sufficient cross-sectional area to afford a factor of safety of four.

(e.) There shall be two entrances to every projection-room. These entrances shall not open directly into the auditorium. If the projection-room is so located that entrances from the auditorium are unavoidable, they shall be made through vestibules having two doors between the projection-room and the auditorium. These vestibules may be used as electrical rooms.

(f.) The doorways to every projection-room shall be not less than 2 feet 6 inches by 6 feet 6 inches. The door-frames shall be an angle-iron 2-inch by 2-inch by  $\frac{1}{4}$ -inch metal, and in case of masonry, hollow tile, or slow-burning construction the side-angles shall be continuous from the floor to the ceiling, being embedded solidly in each. The doors shall be constructed in accordance with the specifications of what is known as Underwriters Standard of Construction for Tin-Clad Doors and shall be hung in an approved manner with standard fire-door hardware.

18. *Portable Projection Cabinets.*—All portable projection cabinets or rooms shall be constructed

to the following requirements, and no such cabinet or room shall be used unless it has first been approved by the Fire Marshal:—

*Dimensions:* They shall be not less than 6 feet wide by 7 feet long and 7 feet 6 inches high; or for portable kinematographs only they shall be not less than 4 feet wide by 3 feet 6 inches deep by 7 feet high.

*Construction:* The frames on which these cabinets or rooms are made shall be of one of the following types: (a) A frame of  $1\frac{1}{2}$ -inch angle- and tee-irons mitered and securely fastened together, covered with asbestos lumber; (b) a frame of  $1\frac{1}{2}$ -inch angle- and tee-irons mitered and securely fastened together, covered with 20-gauge sheet metal; (c) a fitted frame of  $\frac{3}{4}$ -inch galvanized-iron pipes and fittings and covered with two thicknesses of asbestos cloth which weighs not less than 2 lb. per square yard each ply. In the cases of types (a) and (b) the asbestos lumber and sheet metal shall be securely fastened to the frame-irons with  $\frac{1}{4}$ -inch stove-bolts and washers, spaced not more than 9 inches apart. In the case of type (c) the asbestos cloth used as a covering for the cabinet shall have an overlap of at least 3 feet on one side, forming the entrance to said room or cabinet. The ceiling-covering shall overlap at least 8 inches all around and be securely fastened in place. The floor-covering shall be of 2-ply of the asbestos cloth and extend at least 1 foot all around the outside of the frame. There shall be a ventilation-flue of at least 8 inches in diameter, made of 24-gauge sheet metal, leading directly to the open air. The port-holes, port-hole doors, fittings, and fixtures of these portable cabinets or rooms shall, as far as possible, correspond to those prescribed by these regulations for projection rooms generally. No portable projection cabinet or room shall be used in any moving-picture theatre in which there is a permanent projection-room, or in any moving-picture theatre where moving pictures are regularly exhibited to the public. No kinematograph having as an illuminant an incandescent lamp exceeding 600 watts capacity shall be used in any portable projection cabinet or room.

19. *Battery-room Installation.*—The installation of storage-battery equipment in connection with the projection of synchronized sound pictures shall be in a separate room, the inside measurements of which shall be not less than 4 feet wide, 6 feet long, and 8 feet high.

20. *Battery-room Construction.*—(a.) In moving-picture theatres of masonry or concrete construction the batteries, battery-charging panels, battery-chargers, and equipment shall be housed in a separate room, the walls and ceiling of which shall be of not less than 4-inch hollow tile plastered on the inside with cement plaster. The floor shall be of concrete not less than 2 inches thick. This room shall be equipped with a Standard Class B tin-clad fire-door.

(b.) In moving-picture theatres of other than masonry or concrete construction the batteries, battery-charging panels, battery-chargers, and equipment shall be housed in a separate room, the walls and ceiling of which shall be of laminated wood not less than 4 inches thick covered with metal lath and plastered on the inside with cement plaster and finished with a smooth coat of hard wall-plaster. The floor shall be of concrete not less than 2 inches in thickness. This room shall be equipped with a Standard Class B tin-clad fire-door.

(c.) The battery-room shall be located outside the projection-room and the entrance to the battery-room shall be not less than 6 feet from the entrance to the projection-room.

(d.) Fresh-air intake and exhaust ventilators which lead directly to the open air shall be installed at the floor-line and in the ceiling of the battery-room. Each ventilator shall have a cross-sectional area not less than 72 square inches.

(e.) All metal-work in connection with the battery-room shall be thoroughly painted with acid-resisting paint. All wiring and other electrical work shall be done in full compliance with The Canadian Electrical Code as adopted in this Province, with variations, under the provisions of the

"Electrical Energy Inspection Act," and with the municipal by-laws governing electrical work.

21. *Projection-room Ventilation.*—Leading directly to the open air through the ceiling of every projection-room there shall be a ventilation flue or ventilation flues made of not less than 20 B. & S. gauge sheet metal, securely riveted together and fastened to a flange or thimble embedded in the ceiling and clearing all combustible material by at least 6 inches. The flue opening for one kinematograph shall be not less than 120 square inches in cross-sectional area, and the flue shall maintain the same cross-sectional area throughout its length. For each additional kinematograph there shall be added an additional 120 square inches of ventilation area. In addition there shall be at least one fresh-air intake at or near the floor-line which will continually supply fresh air to the room. The intake opening shall be not less than 120 square inches in cross-sectional area, and the intake shall lead directly to the open air.

22. *Port-holes.*—For each kinematograph used there shall be not more than two port-holes, one for observation of the screen, the other for the projection of the picture from film or slide. The opening of the observation port-hole shall be not less than 140 square inches in area, or an oval of 13 inches by 11 inches, and not greater than 170 square inches in area, or an oval of 15 inches by 12 inches. The opening of the projection port-hole shall be not greater than 112 square inches in area or a rectangle of 7 inches by 16 inches. All port-holes shall be provided with gravity-doors constructed of sheet metal of not less than 10 B. & S. gauge. When closed the gravity-doors shall have an overlap of not less than 2 inches on all sides, and shall be arranged to slide freely without binding in properly constructed grooves or channels of the same weight of metal. The gravity-doors shall be controlled by a fusible link melting at 160 degrees Fahr., fastened as nearly above the aperture of the kinematograph as possible. In all cases the tripping arrangement must be made so as to be easily controlled manually. The projectionist in charge shall release and close the doors of all port-holes once each working-day, and all such doors shall be continuously maintained in first-class working-order.

23. *Shelves.*—All shelves, fittings, and fixtures shall be either of non-combustible material or metal-covered throughout.

24. *Film Rewinds and Containers.*—(a.) All film rewinds shall be of the enclosed type; that is, both reels shall be enclosed in metal cabinets or cabinets with not more than 8 inches of film exposed. Where synchronized sound equipment is installed and two projectionists are on shift at a time, open-type rewind-stands may be used for revision, but general rewinding shall be done on enclosed rewinds.

(b.) All films in the projection-room except those in kinematographs or those being rewound shall be kept in a container which shall be constructed of not less than 20-gauge sheet metal. Each reel of film shall be kept in a separate compartment. There shall be an air-space of not less than 1 inch between the compartments and also between the outside wall and the compartments. Doors shall have a 1-inch air-space between the face and film sides. All seams shall be lock-jointed and riveted. No solder shall be used in the construction of the cabinet.

(c.) No film shall be kept or stored in any part of the theatre except the projection-room. Not more than two programmes of film shall be in the projection-room at the same time.

25. *Projection-room Fire-extinguishers.*—Two or more liquid chemical fire-extinguishers, of a size, nature, and type approved by the Fire Marshal, shall be continuously maintained in good working-order in every projection-room. A large bucket of sand and a pail of water shall be kept in every projection-room within easy reach of the projectionist.

26. *Sanitary Arrangements.*—Running water, a basin or sink, and a toilet shall be installed in the projection-room of every moving-picture theatre

situate in a locality where there is a waterworks system.

27. *Kinematographs.*—(a.) All kinematographs, kinematograph lamp-houses, stereopticons, kinematograph heads, spot-lamps, and all apparatus used in connection with projection and stage work shall be in themselves and all their accessory parts of a style and type approved by the Fire Marshal. All kinematograph lamp-houses, stereopticon lamp-houses, and spot-lamps in a projection-room shall be connected by at least a 4-inch sheet-metal pipe or stack to the ventilation flue of the projection-room.

(b.) When two or more kinematographs are installed, and when only one projectionist is on shift at a time, dual control switches shall be installed on the kinematographs and a master control switch on the arc feed circuit.

(c.) All kinematographs used for the projection of synchronized sound pictures shall be equipped with remote-control dowsers or cut-offs.

(d.) No film, whether silent or synchronized sound, shall be projected at a speed exceeding 100 feet of film per minute.

(e.) Kinematographs which are so constructed as to use only slow-burning or acetate film of special width and perforation may be used without an enclosed projection-room. Such slow-burning or acetate film, besides the special width and perforation, shall have a permanent distinctive marker throughout its entire length denoting the make and the slow-burning character of the film stock.

28. *Film Reels.*—Bent, broken, or wobbly reels or reels with loose or broken hubs shall not be used in any kinematograph. All reels used on kinematographs shall have not less than a 5-inch hub, and where over 1,000 feet of film is used the reels shall be not less than 14 inches over-all in diameter. This applies to both carrier and take-up reels.

29. *Film Reports.*—(a.) It shall be the duty of every licensed projectionist of any moving-picture theatre to report, on forms supplied by the Fire Marshal, the condition of each film supplied to the projectionist, setting forth thereon the condition in which the film was received and in which it left his care. These reports shall be made after completion of the run of film and forwarded to the Fire Marshal.

(b.) In case a film is so received in such condition that it would create a serious fire hazard to project the same, the projectionist in charge of equipment shall notify manager of the moving-picture theatre at once of that fact, and shall refrain from projecting the film. The manager shall immediately notify the Fire Marshal by telegraphic dispatch of the condition of such film.

30. *Fire Reports.*—In case a fire occurs in any moving-picture theatre, the manager or person in charge of the theatre shall, within twenty-four hours, report to the Fire Marshal in writing the location and extent of the fire and the time of its occurrence.

31. *Kinematograph Reports.*—It shall be the duty of every licensed projectionist of any moving-picture theatre to report to the Fire Marshal immediately, in writing, any kinematograph which is found to be defective in any respect.

32. *Synchronized Sound Picture Projection.*—(a.) In all cases where synchronized sound pictures are projected and where two or more kinematographs are used, two licensed projectionists shall be on duty continuously during the time the performance is open to the public.

(b.) Synchronized sound picture projection equipment installed or used in a moving-picture theatre, the projection-room or projection equipment of which is under the other provisions of these regulations required to be in charge of a projectionist holding a first-class licence, shall be in charge only of two projectionists holding first-class licences; and synchronized sound picture projection equipment installed or used in every other moving-picture theatre shall be in charge only of two projectionists holding not less than second-class licences.

## INSPECTION AND APPROVAL OF FILMS.

33. *Approval.*—(a.) The Censor shall have power to approve any moving picture film from which all parts objectionable to him have been removed. If the Censor approves any film with modifications or excisions, the modifications or excisions shall be made by the Censor, and the portions of film removed shall remain in possession of the Censor so long as the film remains in British Columbia, and shall only be returned to the person who submitted the film when the approval stamp of the Censor has been removed from the film which was modified, and upon the removal of the approval stamp of the Censor from said film the film shall not again be exhibited to the public in British Columbia unless it is subsequently submitted to the Censor and again approved by him.

(b.) If any person submitting any film to the Censor objects to the modification of the film he shall serve the Censor with a notice in writing to that effect, and if any part of such film does not meet with the approval of the Censor such film shall not be modified or approved by him.

34. *Inspection at Censor's Office.*—All films and slides shall be inspected by the Censor at the demonstration office maintained by the Government for the inspection thereof, and all such films and slides shall be taken to such office and removed from such office by the person submitting the same for inspection. While such films or slides are at the office or demonstration-room of the Government they are at the risk of the person submitting them for inspection, such risk covering damage or loss by fire, or damage or loss from any other cause.

35. *Inspection in Special Cases.*—All films whether black and white or any other variety, which for any reason it is impossible for the Censor to inspect at the Government demonstration office, shall be inspected at the convenience of the Censor at such place in the City of Vancouver, British Columbia, as shall be provided at the direction of the Censor by the person submitting such films for inspection. All costs incidental to such inspection shall be borne by the person submitting such film.

36. *Deletion of Reference to Foreign Approval.*—No film which carries anywhere in its length any section of film which is designed to project on the screen a statement that such film has been inspected or approved by any Board of Censors outside the Province of British Columbia shall be exhibited to the public in British Columbia.

37. *Effect of Approval.*—No exhibition of any film which has been approved by the Censor and is unaltered since such approval, and which bears a stamp signifying such approval, or is accompanied by a certificate of such approval, shall be prohibited by any police officer, constable, or any other person, on account of anything contained in such film.

38. *Duty of Film Exchanges to furnish Lists of Patrons.*—Every film exchange shall, on demand of the Censor and for the purpose of carrying out the provisions of the "Moving Pictures Act," furnish the Censor with the names and addresses of all persons, companies, or associations in British Columbia to whom films or slides have been rented, leased, sold, or supplied by such film exchange.

39. *Inspection Fees.*—The fees to be paid to the Censor for the inspection of films and slides shall be as follows:—

(1.) For each reel of film submitted for inspection by any holder of any film exchange licence, the sum of \$1.50 for the first 1,000 feet of film, and the sum of 15 cents for each additional 100 feet or fraction thereof of film on the reel.

(2.) For each reel of film submitted for inspection by a licensee under clause (10) of Regulation 42 of these regulations, the sum of \$1 for the first 1,000 feet of film, and the sum of 10 cents for each additional 100 feet or fraction thereof of film on the reel.

(3.) For each reel of film submitted for inspection by a licensee under clause (4) of Regulation 42 of these regulations, the sum of \$2 for the first 1,000 feet of film, and the sum of 20 cents for each additional 100 feet or fraction thereof of film on the reel.

(4.) For each reel of film submitted for inspection by a licensee under clause (7) of Regulation

42 of these regulations, the sum of \$3 for the first 1,000 feet of film, and the sum of 30 cents for each additional 100 feet or fraction thereof of film on the reel.

(5.) For each reel of film exposed, developed, and printed in the Province of British Columbia, the sum of \$1 for the first 1,000 feet of film, and the sum of 10 cents for each additional 100 feet or fraction thereof of film on the reel.

(6.) For each reel of film not herein otherwise provided for, the sum of \$5 for the first 1,000 feet of film, and the sum of 50 cents for each additional 100 feet or fraction thereof of film on the reel.

(7.) For each set of slides relating to one subject or contained in one series, the sum of \$5 for the first 50 slides, and the sum of 5 cents for each additional slide contained in the set.

(8.) For each slide not herein otherwise provided for, the sum of 10 cents.

40. *Offences.*—Every person, being the holder of a licence for a film exchange under clause (1) or (2) of Regulation 41 of these regulations, or for a moving-picture theatre under clause (1) or (5) of Regulation 42 of these regulations, who submits to the Censor for examination or approval any film not owned, leased, or rented by such person, with the intent to secure the examination or approval of the film at a lower fee than would be chargeable if the film were so submitted by the person owning or having control or use of the film, shall be guilty of an offence against these regulations, and in addition to any penalty therefor otherwise imposed, his licence may be suspended or cancelled by the Censor.

## FILM EXCHANGE AND THEATRE LICENCES.

41. *Film Exchange Licences.*—No film exchange shall be carried on by any person except pursuant to a licence therefor first obtained from the Censor; and the fees payable under the "Moving Pictures Act" for film exchange licences shall be as follows:—

General film exchange licences, with no restriction as to number of films.... \$300 00

Limited film exchange licences—

(1.) Limited to six subject titles with a maximum of 40 reels..... 50 00

(2.) Limited to films exposed, developed, and printed within the Province of British Columbia, with no limit as to number ..... 50 00

42. *Theatre Licences.*—(a.) No moving-picture theatre shall be opened to the public except after a licence therefor has been obtained from the Censor; and the fees payable under the "Moving Pictures Act" for licences for moving-picture theatres shall be as follows:—

(1.) If conducted in premises located in the cities of Vancouver or Victoria, and not licensed under any subsequent clause of this regulation, provided the licence fee shall not exceed \$300 or be less than \$75, for each seat ..... \$ 0 20

(2.) If conducted in premises within the limits of any organized municipality or corporation townsite, and not licensed under any subsequent clause of this regulation, where the seating capacity does not exceed 300 persons ..... 65 00

For each seat in excess of 300, provided the fee shall not exceed the sum of \$250..... 15

(3.) If conducted in premises not licensed under any other clause of this regulation, where the seating capacity does not exceed 300 persons.... 55 00

For each seat in excess of 300, provided the fee shall not exceed the sum of \$200..... 10

(4.) If conducted in connection with vaudeville or variety show and exhibiting moving pictures as part of the performance:—

For the first reel..... 100 00

For each additional reel..... 25 00

(5.) If conducted in premises limited to a period of one month..... 50 00

- (6.) If conducted in open-air park:—  
 For one month ..... \$ 50 00  
 For two months ..... 75 00  
 For three months ..... 100 00  
 For season, not exceeding six months ..... 150 00
- (7.) Travelling or road shows, showing feature films, etc., good only in places endorsed on face of licence:—  
 For each day ..... 10 00  
 For each week ..... 40 00  
 For each month ..... 100 00
- (8.) Kinematograph or itinerant shows good only in places endorsed on face of licence, not more than four places to be covered by one licence:—  
 Good only two days in any calendar week in any one place..... 25 00  
 Good only three days in any calendar week in any one place..... 35 00
- (9.) Itinerant shows limited to small towns or villages good only one day a week, not more than ten places to be covered by one licence..... 40 00
- (10.) If conducted under the auspices of a church, religious organization, educational institution, or in aid of charitable work ..... 10 00
- (11.) To itinerant exhibitors, good only for films exposed, printed, and developed within British Columbia, for one year ..... 50 00

(b.) No licence for the operation of a moving-picture theatre in any building shall be issued by the Censor until the theatre has been approved by the Fire Marshal and a certificate of his approval has been filed with the Censor.

43. *Approval of Licensed Premises by Municipal Council.*—(a.) Every licence for the operation of a moving-picture theatre, film exchange, or kinematograph issued under these regulations shall be issued only for the premises specified in the application and endorsed on the licence, and subject to the implied condition that the premises in which it is proposed to operate such moving-picture theatre, film exchange, or kinematograph shall be approved for use as such by the Council, or by an official appointed in that behalf by the Council of the municipality in which the licensee proposes to operate under such licence, and all transfers of such licence shall be subject to like condition.

(b.) In the event of the refusal by such Council or official to approve any such premises, the Censor may recommend to the Minister of Finance the repayment to the licensee of the licence fee paid; provided that the licence shall be surrendered to the Censor, accompanied by a cancellation fee of \$5, and such licence shall be cancelled by the Censor before any such recommendation for repayment may be made.

44. *Scope of Kinematograph Licences.*—(a.) No holder of a kinematograph licence shall operate any kinematograph in any premises other than the premises endorsed on the licence, and such licence shall be issued for use only where the premises to be used in the exhibition of moving pictures thereunder are situated at least three miles from any premises licensed as a moving-picture theatre. No holder of any such licence shall show or exhibit moving pictures in any one of the premises endorsed on the licence for a greater length of time than the number of days in any calendar week endorsed on the licence, and every such licence shall be issued subject to the implied condition that no exhibition of films or slides shall be permitted thereunder on the Lord's Day, commonly called Sunday.

(b.) The Censor may, at his discretion, upon payment of a fee of \$5, grant a substitution of or increase in the number of premises to be used in the operation of a kinematograph under any kinematograph licence.

45. *Transfer of Licences.*—Any licence issued under the provisions of clauses (1), (2), (3), (4), and (6) of Regulation 42 of these regulations may, with the consent of the Censor, be transferred from one holder to another, and any licence issued under the provisions of clauses (1), (2), (3), (4), and

(6) of said Regulation 42 may be transferred from one premises to another upon payment to him of a fee equal to 20 per centum of the licence fee paid: Provided that in no case shall the fee be less than \$5. Transfer as to premises only, on licences issued under the provisions of Regulation 41 of these regulations, may be made without any additional fee. Except as provided in this regulation, no licence issued under these regulations shall be transferable, either as to holder or premises.

46. *Payment of Licence Fees.*—Every application for any licence or transfer of licence shall be accompanied by the fee for the licence or transfer, in cash, money-order, or marked cheque, payable to the order of the Censor of Moving Pictures.

#### PROJECTIONISTS.

47. *Interpretation.*—In these regulations the expression "projectionist" shall mean any person, whether as employee or otherwise, who operates or manipulates a kinematograph in any moving-picture theatre; and the expression "apprentice projectionist" shall mean any person who acts as assistant to a projectionist.

48. *Examination.*—Applicants for licences as projectionists shall be subjected to examination as to competency before the Board of Examiners, and, when convenient, examinations shall be conducted by the full Board; but it shall be competent for any three or more members of the Board to conduct the examination for first-class certificates when authorized to do so by the Chairman of the Board, and for any one or more members to conduct examinations for second- or third-class certificates when so authorized. Examinations for first-class certificates shall be held in the examination-room at Vancouver.

49. *Application for Examination.*—(a.) Candidates for examination as to competency shall make application to the Chairman of the Board of Examiners on a form supplied by the Board, and shall forward the application to the Chairman accompanied by an examination fee of \$5.

(b.) No person shall apply for examination for a first- or second-class certificate of competency unless he has had at least twelve months' experience in projection-work.

50. *Classification.*—(a.) Classified certificates of competency shall be granted to successful candidates at the examinations, which examinations shall be based on the equipment to be operated according to the requirements of the following classification:—

First Class: Moving-picture projection equipment consisting of any form of rectifying, converting, or generating apparatus for the purpose of supplying more than 40 amperes of direct or rectified current at the arc of a non-reflector-type lamp, or more than 17.5 amperes of direct or rectified current at the arc of a reflector-type lamp, shall be in charge of a projectionist holding a first-class licence.

Second Class: Moving-picture projection equipment consisting of any form of rectifying, converting, or generating apparatus for the purpose of supplying not more than 40 amperes of direct or rectified current at the arc of a non-reflector-type lamp, or not more than 17.5 amperes direct or rectified current at the arc of reflector-type lamp, shall be in charge of a projectionist holding not less than a second-class licence.

Third Class: Moving-picture projection equipment consisting of any form of equipment for the purpose of delivering not more than 40 amperes of alternating current at the arc of a non-reflector-type lamp, or not more than 900 watts to an incandescent bulb, may be in charge of a projectionist holding a third-class licence.

(b.) Licences issued to applicants shall correspond to the certificates of competency held by the applicants. Holders of second- and third-class certificates issued prior to September 1st, 1929, shall be subject to re-examination.

51. *Synopsis of Subjects for Examination.*—The following is a synopsis of subjects which shall be covered by examinations of applicants for projec-

tionists' licences of the respective classes, which subjects may be varied by the Board of Examiners from time to time as changes in projection equipment or apparatus require:—

#### FIRST CLASS.

Examinations will cover detailed practical demonstrations under the following heads:—

##### *Electrical.*

Specific working knowledge of theatre and projection-room wiring; sizes and carrying capacities of wires and cables; insulation and installation of same.

Specific working knowledge of generators, rectifiers, transformers, and rheostats.

Testing and tracing circuits for phase relationship, voltage, opens, shorts, grounds, and other things. Complete work of making connection from source of supply through motor-generator, rectifier, and other equipment to the lamp-house.

Specific working knowledge of all types of arc and incandescent lamps for projection purposes.

##### *Mechanical.*

Specific working knowledge of accepted types of projection mechanisms, their uses, care, adjustments, and renewal of parts.

Various types of intermittent movements, their adjustments, care, and qualities. Safety devices on mechanisms, action, care, and adjustment.

Revolving shutter, principle, design, and adjustment.

##### *Optical.*

Specific working knowledge of condensers, types, mountings, adjustments, focusings, matings, and care.

Knowledge of mirrors, types, mountings, adjustments, focusings, faults, and care.

Knowledge of projection lenses, construction, selection, adjustments, use, and care.

Ability to secure and maintain clear field on the screen. Ability to secure correct definition and to secure best results on screen at minimum of expense.

##### *Safety.*

Specific working knowledge of safety appliances connected with projection-machine apparatus, auxiliary safety appliances, their use and care.

Knowledge of projection-room, its construction, equipment, ventilation, and general lay-out of room.

#### SECOND CLASS.

Examinations will cover detailed practical demonstrations under the following heads:—

##### *Electrical.*

General working knowledge of theatre and projection-room wiring. Sizes and carrying capacities of wires and cables. Insulation and installation of same.

General working knowledge of motor-generators, rectifiers, transformers, and rheostats.

Testing and tracing of circuits for shorts, grounds, opens, voltage, and phase relationship. Complete work of connection from source of supply through motor-generator, rectifier, transformer, and other equipment to arc-lamp.

General working knowledge of all types of arc and incandescent lamps used for projection-work.

##### *Mechanical.*

General working knowledge of accepted projection mechanisms, their component parts, their care, use, and replacement and adjustment.

Various types of intermittent movements, their principles, adjustments, and care.

Revolving shutter, principle, action, and design. Safety devices, their action and care.

##### *Optical.*

General working knowledge of condenser-lenses, their types, uses, and matings.

Knowledge of mirrors, their types, uses, care, and mountings. Special incandescent mirrors and condensers.

Ability to secure definition and to maintain clear field and maximum brilliancy on screen at least expense.

##### *Safety.*

Working knowledge of all safety appliances on moving picture machines, their care and replacement. Auxiliary safety apparatus, use and care.

Projection room, construction, installation, and ventilation. General lay-out of projection room.

#### THIRD CLASS.

Examination will cover detailed practical demonstration under the following heads:—

##### *Electrical.*

Working knowledge of theatre and projection-room wiring. Sizes, carrying capacities, and installation of wires and cables. Wiring systems as applied to moving-picture work.

General knowledge of apparatus used in A.C. projection-work. Transformers, reactances, choke-coils, and equipment. Care of incandescent illuminant equipment.

##### *Mechanical.*

Working knowledge of machine-head, its component parts, their uses, care, and adjustments.

Intermittent movements, their types, action, adjustment, speed, and timing.

Revolving shutter, its principle, action, and faults.

Threading, framing, and focusing devices and their adjustments.

##### *Optical.*

Condensers, types, uses, measurement, and care. Special incandescent condensers and mirrors. Projection-lenses, selection, use, testing, construction.

Ability to secure definition and clear field. Ability to correct minor faults.

##### *Safety.*

Knowledge of safety appliances connected with moving-picture machines.

Construction of projection room. General knowledge of projection installations. Ventilation of projection-rooms.

52. *Issue of Licence.*—Where a successful candidate is the holder of a projectionist's licence of a class other than that covered by his examination, he may, upon surrender of the existing licence, obtain a licence of the class corresponding to his new certificate of competency, which licence shall be good for the remainder of the current year. In all other cases a licence fee of \$2 shall be paid before the issue of a projectionist's licence.

53. *Re-examination.*—Any holder of a projectionist's licence may be required by the Board of Examiners to appear at any time for further examination as to his competency, and if he fails to appear and pass the examination so required his licence shall be cancelled. No examination fee shall be payable in respect of any examination so required.

54. *Temporary Licences.*—Where it is found impracticable for the Board of Examiners immediately to examine the applicant for a projectionist's licence, the Censor may issue to the applicant a temporary licence for a period of not more than sixty days, which licence shall cease to be valid after the day fixed for the applicant's examination, of which notice is given to him by or on behalf of the Board. Temporary licences shall not be issued where the services of a licensed projectionist are obtainable, unless they are obtainable only on such terms and conditions as by the Censor are considered unfair.

55. *Apprentice Projectionists.*—Applicants for licences as apprentice projectionists shall make written application to the Censor in such form as he may prescribe, accompanied by the written consent of the licensed projectionist under whom the applicant is to serve as apprentice and a licence fee of \$5.

##### *Miscellaneous.*

56. *Operation of Kinematograph while Intoxicated.*—No person shall, while under the influence of intoxicating liquor, operate or attempt to operate a kinematograph situated within any moving-picture theatre, nor shall any person in charge of any

moving-picture theatre permit any person under the influence of intoxicating liquor to operate or attempt to operate any cinematograph situated within said theatre.

**57. Term of Licences.**—Except where otherwise expressly mentioned, the fees prescribed by these regulations for film exchange and moving-picture theatre licences and for projectionists' and apprentice projectionists' licences shall be payable as annual fees; and every licence, except those issued for a period of less than one year, shall expire at midnight on the thirty-first day of December of the year in respect of which the licence is issued. Where a film exchange licence or a theatre licence is issued after the thirtieth day of June in any year, the Censor may reduce the licence fee therefor to one-half the annual licence fee otherwise payable.

**58. Cancellation of Licences.**—The Censor may, in his discretion, cancel or suspend any licence issued by him under these regulations. Following are some of the causes warranting cancellation or suspension of such licences:—

Failure to display projectionist's licence for the operation of moving-picture apparatus and its connections:

Making false statements in application for licences:

Operating a cinematograph of a type or style not approved by the Fire Marshal:

Maintaining a dirty projection-room:

Latching the door of the projection-room on the inside, removing the handle from the outside of the door, or otherwise taking action such as might delay the access of authorized persons to the projection-room:

Failure to report promptly to the Fire Marshal in writing the occurrence of any film fire in the projection-room of the holder of the licence, said reports to state fully the apparent cause or causes of said fire:

Permitting unlicensed manager or employee of a moving-picture theatre, or any other unlicensed person, to operate cinematograph in a moving-picture theatre projection-room while audience or spectators are in said theatre:

Permitting doors of film magazines to remain open or unlatched while said cinematograph is in use:

Propping up or suspending any fire-shutter on any cinematograph:

Removing any film-guard from any cinematograph, or in any way holding any film-guard from normal position while said machine is in use:

Being absent from observation position at cinematograph while said machine is being driven by motor, save and except where control switches on arc and motor-drive circuits are installed to the approval of the Fire Marshal given in writing:

Smoking or permitting smoking or use of matches in the projection-room at any time:

Allowing the door of the projection-room to be open while pictures are being projected:

Reading while projecting pictures:

Permitting any person other than the manager of the moving-picture theatre in which the projectionist is employed, or the licensed projectionists or apprentice projectionists employed by the said manager, or an authorized official, to be in the projection-room while audience or spectators are in the moving-picture theatre:

Having in the projection-room at any time a greater number of reels of film than two complete programmes:

Having any film exposed in the projection-room other than the one film in process of transfer to and from the cinematograph, or from the upper or lower magazine to the rewind:

Operating over fused or improperly connected electrical equipment:

Permitting licence to be in the possession of an unlicensed person:

Failure to test apparatus or connections prior to each performance or exhibition:

Operating a defective cinematograph.

**59. Approved Cinematographs.**—(a.) A cinematograph shall not be operated in any moving-picture theatre unless the cinematograph has been approved by the Fire Marshal and bears his stamp or label of approval.

(b.) A cinematograph after it has been approved by the Fire Marshal shall not, while in any moving-picture theatre, be used for practice in the operation thereof, or be tested, adjusted, taken apart, reassembled, or repaired except in the presence of and under the supervision of a licensed projectionist.

**60. Employment of Licensed Projectionists.**—

(a.) A cinematograph shall not be operated in any moving-picture theatre unless the cinematograph is in charge of a licensed projectionist who is, during the time of such operation, continuously present in the projection-room of the theatre.

(b.) No cinematograph shall be operated in any moving-picture theatre situate within the municipal limits of the municipalities of Burnaby, New Westminster, North Vancouver, Vancouver, or Victoria, unless the projection-room of the theatre is in charge of a person who holds a first-class projectionist's licence and who is, during the time of such operation, continuously present in the projection-room.
